DECLARATION UNDER 37 CFR 1.132

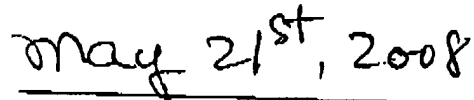

I, Yang YANG, declare the following:

1. That I am an inventor in the above-identified application.
2. That I am currently employed as a professor and as a project scientist in the Department of Materials Science and Engineering at the University of California at Los Angeles, Los Angeles, California 90095.
3. That I have examined the publication by YANG *et al.*, "Method for Making Multifunctional Organic Thin Films," published U.S. Patent Application Pub. No. US 2006/0134317 A1 and hereby declare that any portion of this publication that may be material to the independent claims 1, 5 and 12 of the current application is my own work.
4. That the subject matter claimed in the current Application No. 10/581,797 was invented only by Yang YANG, Liping MA and Jun HE.

5. That Yan Shao, co-author of U.S. Patent Application Pub. No. US 2006/0134317 A1, is not an inventor in the current Application No. 10/581,797.
6. I hereby declare that all statements made herein are true, and that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
